TYE NIGHTSTAND

light oak - travertine

TYE NIGHTSTAND

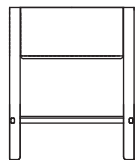

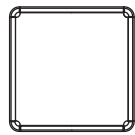

Tye was born from a place of function and minimalism. The bedroom is a place for rest, without need for distractions and ornaments. The rounded legs keeps your shins safe, and the scooped-out top provides a safe shelf for your bedroom essentials while offering a comfortable pull for the draw that stores your personal items. By choosing the marble shelf you add an element of surprise and contrast to your sacred space

MATERIAL : top & legs : solid oak, PU finish
shelf : solid oak / marble / travertine

DESIGN : Patryk Koka

065-4201 : Tye nightstand
